# CANYON RIDGE® collection

Clopay offers a complete portfolio of design options for homeowners who love the look of wood, but not the upkeep.

Constructed in durable, low-maintenance steel and composite, these faux wood alternatives offer the best of both worlds – the realism and beauty of a natural stained wood appearance combined with the strength and energy efficiency of insulated steel.

Clopay's extensive selection of faux overlays, designs, windows, decorative hardware and finish colors can complement any home style and budget.

*Canyon Ridge® Collection Limited Edition Series Design 11 Shown in Dark Finish with Faux Cypress Cladding, Clear Cypress Overlays and ARCSA Window Design (Model CAN211P/ARCSA).*

## CANYON RIDGE® COLLECTION LIMITED EDITION SERIES

Beautiful and unique, Canyon Ridge® Collection Limited Edition Series carriage house doors are constructed of an energy efficient, durable steel core and finished with full composite cladding and overlays that have the appearance of authentic wood doors.

The cladding and overlay materials are molded from actual wood pieces to replicate the natural texture and intricate grain patterns of the species they emulate. These two layers are attached to a polyurethane insulated steel door for added strength and energy efficiency.

The end result is a distinctive, customized wood-look door that is often indistinguishable from the real thing.

*Canyon Ridge® Collection Ultra-Grain® Series Design 12 Shown in Medium Finish with Clear Cypress Overlays and RECH Window Design (Model CAN212NCREC14).*

## CANYON RIDGE® COLLECTION ULTRA-GRAIN SERIES

*Canyon Ridge® Collection Ultra-Grain® Series Design 22 Shown in Medium Finish with Clear Cypress Overlays and RECH Window Design (Model CAN222NCREC13).*

An attractive and more economical alternative to the Limited Edition Series, this door features a 2" polyurethane steel base door with Ultra-Grain®, a durable, natural-looking, woodgrain paint finish. Stained Clear Cypress composite overlays are applied to the steel door surface to create beautiful carriage house designs.

\*2 = 2" Polyurethane. †See overlay design options.

## FINISHING AND CARE

Proper care and maintenance are imperative for long-term performance and appearance of Canyon Ridge® Collection doors. Periodic inspection and maintenance of the composite cladding and overlays are required. Complete finishing and maintenance instructions are provided with the door and are also available from your Clopay Dealer or online at [www.clopay.com](http://www.clopay.com).

### A FOCUS ON

*green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Canyon Ridge® Collection helps conserve natural resources by providing a durable, reliable, low-maintenance, energy efficient door insulated with polyurethane. The steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling.
